

Source: The Question Formulation Technique (QFT) was created by the Right Question Institute (rightquestion.org)

ROUTINE

1. Write questions about the focus.
2. Categorize your questions.
3. Improve your questions.
4. Prioritize your questions.

GROUP ROLES

Writer

Records all questions

Question Fixer

Rephrases statements into questions

People's Advocate

Makes sure every group member has a voice on the chart paper

Spokesperson

Shares group thinking with the audience

NORMS

1. Do not stop to discuss, judge, or answer any proposed question.
2. Ask as many questions as you can in the provided time.
3. Write every question as stated.
4. Change any statements into questions.
