

Fire Safety Poster Design Challenge

Since the cold months and snow are upon us, everyone is subsequently participating in more activities that can potentially start a fire in their home. Holidays also present a lot of potential hazards. You are invited to design fire safety posters that we will post in the school to help build awareness.

Alternative credit opportunity!
Replace your *lowest grade*!
***may not replace a quiz grade since you can retake those!**

Criteria

- ☐ Pick and study one way a fire could start in a home
- ☐ Make a bold title
- ☐ Give the poster viewer a simple take home message
 - ☐ Consider making this the title of your poster
- ☐ Make a model that is easy to understand to make your message accessible to everyone!
 - ☐ Balance detail with simplicity
 - ☐ Show the how and why!
- ☐ Turn in by Friday, November 15th.
