

Teachers, please do...

- Social Studies – please put this link on your CTLS page [Resources | Close Your Door](#). Students will watch a video that most matches the layout of their home. They will then create their own fire escape plan on the back of their GO.

Social Studies – Create your own escape plan

1. Go to your teachers CTLS page and go to Class board. Select the link for FAF lesson.
2. Select the home layout that most closely resembles what you have at your house.
3. Complete the questions before you begin drawing your escape route.

Resources

Explore these fire safety resources to learn more about how to help keep your family fire safe.

The video thumbnail features a man in a grey shirt and blue jeans pointing towards a 3D architectural floor plan of a low-rise apartment. The floor plan is highlighted with a red fire area and a black escape route. A white play button is overlaid on the floor plan. The text 'PLAN YOUR ESCAPE' is written in large red letters at the top, and 'LOW RISE APARTMENT FIRE' is written in red at the bottom. A circular logo for the Fire Safety Research Institute is in the bottom left corner.
